

Dear Reader:

The Library of Michigan Service for the Blind and Physically Handicapped (SBPH) is happy to announce that we are once again able to offer you a free subscription to Michigan History Magazine on recorded cassette.

Circulation of this popular bimonthly magazine will begin this fall. If you were receiving Michigan History at the time that circulation was stopped two years ago, your subscription will automatically be renewed. For new subscriptions, please contact your Reader Advisor at 1-800-992-9012 or e-mail us at [sbph@michigan.gov](mailto:sbph@michigan.gov)

Michigan History will be delivered to your home in a green mailing container. You will be able to read a multitude of articles of historic and local interest at your leisure. The recordings can be returned to the Library of Michigan by reversing the mail card on the outside of the box.

Sincerely,

Sue Chinault  
SBPH Manager
